TECHNICAL INFORMATION

- Frame in wood coated coffee oak veneer or varnished mat lacquer which adds the elements more value.

- Top in back lacquered tempered glass

Refined combination of materials:

3 lacquered layers that give a highly protected surface.

Elegantly refined on the inside:

Linear design by Architect Claudio Bellini, with rounded edges that makes it adaptable to both modern and traditional environment.

- Inside of the drawer is lacquered in matt coffee

Solid forms that give the furniture a sense of solidity and concreteness.

Generous storage space that gives great highly functionality.

Drawers with soft close; means a silent closing action, no fingers caught, particularly children; and no repeated impact of the drawer heads

High storage dresser; small but extremely practical cabinet.

Available in different versions and finishes; perfectly customizable to different needs.
