## TECHNICAL INFORMATION

DESIGN: Studio Memo – architects Tapinassi and Manzoni

Highly 'designed' cabinet, original and with a strong personality; the name Euclide was chosen to highlight the geometric forms which are a feature of this collection.

Designed together with the Diamante bed collection; however its lightweight and modern form make it suitable for a range of settings despite its very strong design.

Sophisticated details such as the drawer handles and the style of the feet which are an integral part of the structure; interiors completely lacquered.

Available as a dresser and bedside table, as the design best suits these versions and sizes.
